PRO PLUSMINUS

PRO PLUSMINUS + FLÖTOTTO FLEX TABLE

FLÖTOTTO

PRO PLUSMINUS

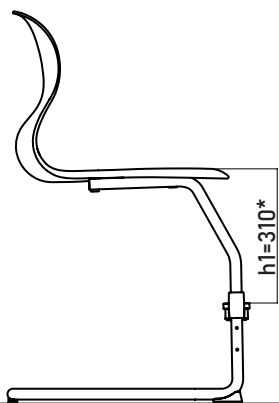

* seat shell 6

Our new PRO cantilever chair with footrest adds even more flexibility into the classroom. The seat height is individually adjustable according to DIN EN 1729 and brings everyone at an eye level.

Four seat heights can be adjusted by hand and without any tools.

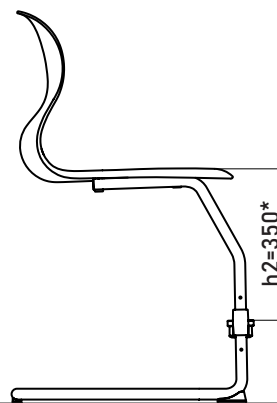

The PLUSMINUS frame is suitable for seat shell sizes four, five and six.
